

We Want You to Grow with Us!

All Banff residents are welcome to apply for a Gardening Plot in the Banff Community Greenhouse. Please complete the application form and drop it off at the Banff public Library on or before Earth Day, April 22, 2011.

The greenhouse will be home to 22 plots, 20 of which are available for public use. The other 2 plots will be used for intergenerational programming and teaching purposes. Garden Plots in the greenhouse are for organic produce only.

As 2011 is the start-up year, it will also be a year of learning; what plants are best suited to the greenhouse, how to create the best growing environment and how long the greenhouse can best be used. Members of the Banff Greenhouse Gardening Society (BGGGS) will receive email updates, news and events related to the greenhouse and BGGGS community.

The BGGGS membership fee is \$5 per year and is paid with your application submission, this amount also covers the administrative costs. Please be sure to include this fee with your application in order to be considered.

For the first year, the Greenhouse Plot Fee is \$35, payment pending application approval. If you are a successful candidate, the Greenhouse plot fee is payable by cash/cheque.

A Scoring System will be used to help determine who will receive a greenhouse plot if we are over-subscribed. Depending on the number of applications we receive, selection for plots may also be made via a weighted lottery system.

Please join us on this exciting adventure!

Sincerely,

Banff Greenhouse Gardening Society

P.S.

If you have any questions, or ideas please email us at:
banffgreenhouse@gmail.com

SCORING SYSTEM

Banff Residency	Under 1 year = 0 points 1 to 2 years = 1 point 2+ years = 2 points
