

Service Selection Form

Dear Property Owner,

The Town of Banff started the phase-in of the new Waste and Recycling Utility on January 1. To charge fairly/accordingly, we need to know what services you would like to receive for each of your waste types. Please use this form to indicate your selections.

For more information please visit banff.ca/rethinkwaste

Selecting your service:

- Fill out this form and return it to us.
- If you are unsure of how to assess your situation and needs please refer to the Waste And Recycling Utility How-To Guide (available at banff.ca/rethinkwaste) or schedule a meeting with our transition team to help determine your needs
- If you do not know what service selection to make, check the box for “Town of Banff to determine”. Waste collection services are then estimated based on your current waste generation. Please note that if we don’t hear otherwise, service levels will be selected for you
- If you do not require collection services, please describe in the Self Disposal area below how you currently dispose of your garbage. Enter N/A if you do not produce that kind of waste.
- If the services you initially select do not meet the needs of your property, simply fill in the “Change to Weekly Service” request form and return it to us.
