Non-Resident Registration opens May 17<sup>th</sup> at 8:30am

# OUT OF SCHOOL CLUB - NORQUAY ROOM

## Resources for caregivers

Supporting Children and Youth through Grief & Loss \*\*\*please register using the poster only\*\*\*

May 17- 1:00 PM - 3:00 PM

Presenters: Allison Salazar, MA School Counselling & Stephanie Sands, BSc. Psychology  
Rocky View School Division and MHC B Steppingstones to Mental Health

To watch a child, grieve and not know what to do is a profoundly difficult experience for parents, teachers, and caregivers. There are many life experiences that can produce feelings of grief in a child, from the death of a relative or a divorce in the family to more everyday experiences such as moving to a new neighborhood or losing a prized possession. The pandemic has added even more reasons, with children grieving the loss of normalcy and a sense of safety. This session is to help adults counter the false idea of "not feeling bad" and to empower children with positive, effective methods of dealing with loss. We will look at guidelines for helping children develop a lifelong, healthy response to loss and how you can support them through these tough times.

# OUT OF SCHOOL CLUB - NORQUAY ROOM

## Reminders

Full days this month are May 5 and 29. May 22 is a statutory holiday, therefore, there will be no programming. With the spring weather, we are expecting to be outside every day this month, rain or shine. Please ensure your child comes to the program prepared with appropriate clothing for the weather.

## This Month

This month Norquay room is in exploration mode. We will be going to various forest areas to spark our natural curiosity and explore nature freely. When children bring all their senses to explore the natural beauty of our national park, they become more thoughtful and compassionate about creating a sustainable future. We are looking forward to exploring water and mud play, observing different bugs and flowers and to access natural loose parts that were still frozen last month.
