Notification Requirements for Development Permit Applications

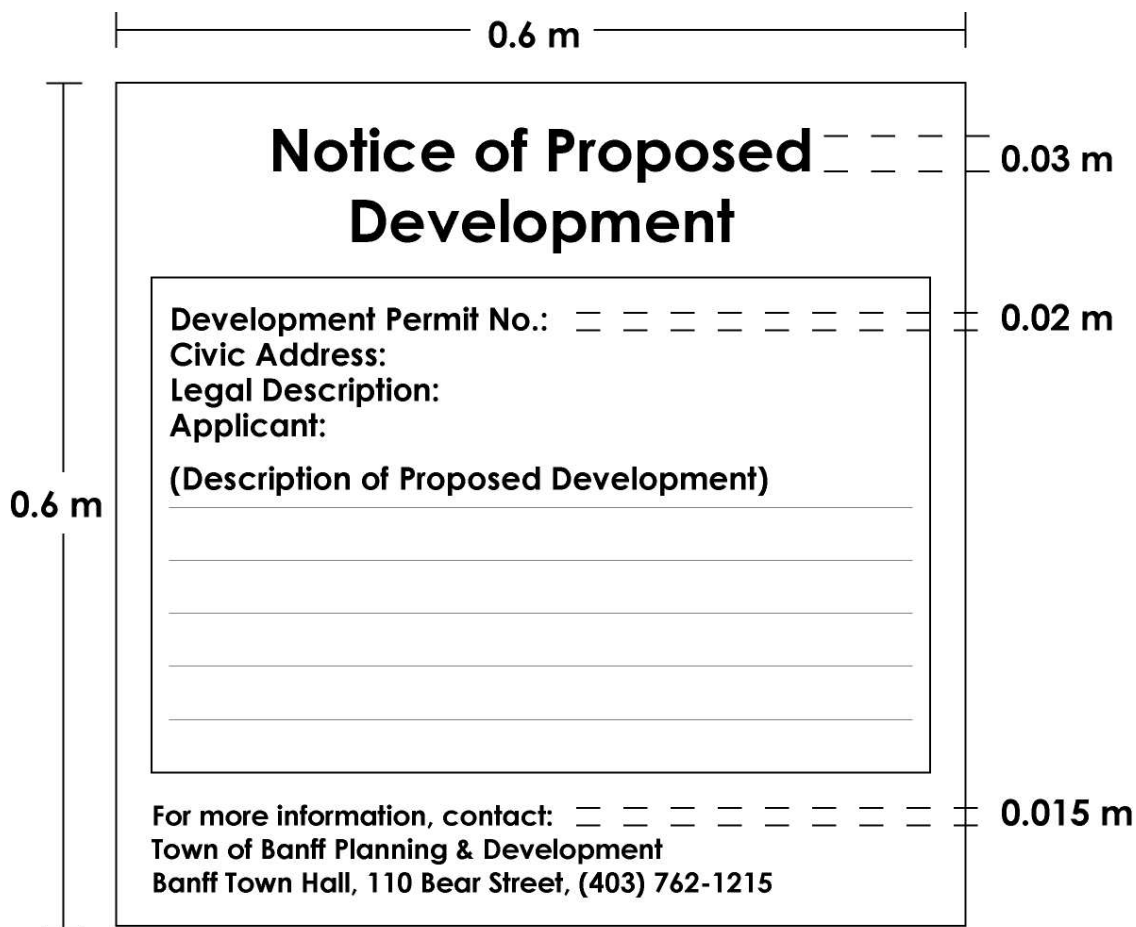

In accordance with the Land Use Bylaw, the applicant of a Development Permit is required to post a notification sign on the site that is the subject of the application. The notification sign shall comply with the following requirements:

1. Notification signs are required for all developments except for signs (unless a variance is requested), tree removal permits, home occupations or any developments deemed by the Development Officer to be minor in nature.
2. The sign shall include a description of the proposal and be posted on the site in a conspicuous place easily visible from an adjacent public roadway to the satisfaction of the Development Officer.
3. The notification sign shall be installed within seven (7) days after submitting a complete development permit application and the applicant shall notify the Development Officer when the sign has been posted.
4. The notification sign shall be posted for a minimum of twenty-one (21) days.
5. The applicant is responsible for preparation, posting and maintenance of the sign as well as removal after the twenty-one (21) day posting period.
6. The notification sign shall contain the information and meet the specifications as set out in the attached diagram to the satisfaction of the Development Officer.

A decision on the development permit application may be withheld until the site has been posted in compliance with the above requirements. If you have any questions about notification requirements for development permit applications, please contact the Town of Banff Planning & Development office at Banff Town Hall, 110 Bear Street or by phone (403) 762-1215.
